

The first part of the paper discusses the importance of understanding the underlying mechanisms of the observed phenomena. It is argued that a comprehensive understanding of the system requires a detailed analysis of the various factors that influence its behavior. This involves identifying the key variables and their interactions, as well as the underlying processes that govern the system's dynamics.

In the second part, the authors present a series of experiments designed to investigate the effects of different parameters on the system's performance. The results of these experiments are presented in a series of tables and figures, which show that the system's behavior is highly sensitive to changes in the input parameters. This sensitivity is particularly pronounced in the case of the parameter α , which has a significant impact on the system's overall performance.

The third part of the paper discusses the implications of the findings for the design and optimization of the system. It is concluded that a thorough understanding of the system's behavior is essential for the development of effective control strategies. This requires a detailed analysis of the system's dynamics, as well as the identification of the key parameters that influence its performance.

In the final part, the authors discuss the future work that needs to be done in this area. It is suggested that further research should be conducted to investigate the effects of different parameters on the system's behavior, as well as the development of more sophisticated control strategies. This will require a combination of theoretical and experimental work, as well as the use of advanced computational techniques.

The Queen and Her Court

The Homecoming celebration at RCHS for 1969 was highlighted by the crowning of beautiful Miss Kathy Davisson as Homecoming Queen. This year's guest of honor was Mr. H. B. Clark, editor of the Rensselaer Republican, who for 50 years has been an ardent Rensselaer fan. Although the Bomber football squad played well, they couldn't quite handle the Lafayette Knights.

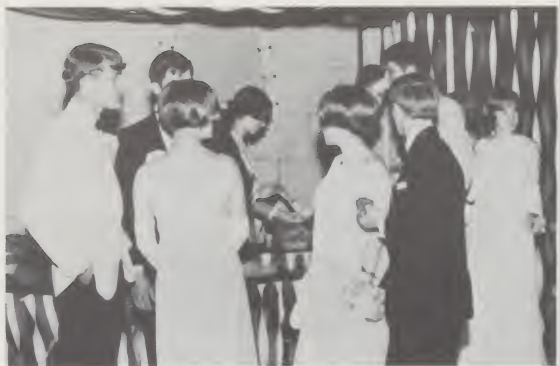

1969 Junior-Senior Prom King and Queen of Camelot

Deb Cochran and Charlie Williams

The setting of the 1969 Junior-Senior Prom, the first to be held in the new school, was Camelot. Couples entered over a drawbridge and were entranced into a world of fair maidens, knights in shining armor, and round tables. Lady Guenevere, a lovable knight named Frank, and a menagerie of delightful dragons supervised the festive affair.

Row 4: Coach Siderewicz, K. Hall, Manager; D. Harris, Manager; L. Edmonds, D. Yeoman, P. Spence, G. Lintner, B. Wilmington, R. Kohlhausen, J. Moosemiller, Coach Burvan, Mr. Chubb.

This year's football team enjoyed an excellent season. Coach Siderewicz's grid men captured the Northwest Hoosier Conference Championship. This conference consists of R.C.H.S., Twin Lakes, Winamac, Knox, and North Judson. The team compiled a 7 and 2 record, the only defeats at the hands of Delphi and Lafayette Central Catholic. The season was Coach Siderewicz's fifth consecutive winning season with Bomber football squads.

The football team at all times well represented our school. Everytime the team was on the field for a game, the Rensselaer fans could be sure that its team would give it all they had.

FOOTBALL AWARD WINNERS: Co-Captains: Edmonds and Edwards

 Red Cap Award: Feldhaus
 Mental Attitude: Cooley and Kohlhausen
 Silver Stars: Edmonds
 Gold Stars: Lintner

The 1969 Bomber basketball team captured the North Newton Sectional with two thrilling victories; over Lowell in the afternoon semifinals, and in the evening beating a good Benton Central team, to take the crown. The main reason for both Rensselaer victories was the attitude of the players—they never gave up.

And the announcer said, "Will the fans please remain in their seats."

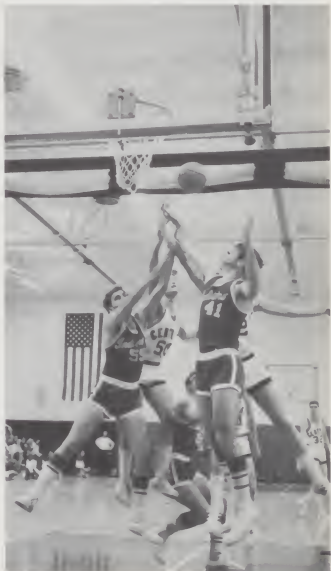

First Sectional Crown since '63

The RCHS basketball squad for 1968-1969 had three goals in mind when the season began: the Holiday Tourney, the Northwest Hoosier Conference Championship, and the Sectional Crown. By the end of the season, every goal had been achieved. The regular season record was 18 wins against 2 losses; the season was highlighted by victories over West Lafayette and Twin Lakes.

All Conference players Larry Edmonds and Bob Clouse controlled the backboards throughout the season.

Hustle and defense characterized the Bomber squad this year.

The photographer swears no foul was called.

Varsity Track

Hours of Practice Yield Victory

The Rensselaer Central track team has once again completed a most successful season. The team won the Class A Attica Relays and finished a close second in the Class C Rensselaer Relays. In the oldest track meet in the state, the R-M-D, we once again were the victors. To highlight the season, the team finished second in the track Sectional in Lafayette, and six men qualified for the Regional in Gary. In the Regional, Greg Lintner qualified for the state in the shot put event. He established a new school record with a toss of 54'3". The entire student body wishes to congratulate the team for a fine season.

Because of the additional recreational facilities in our new school, we were able to hold a very successful ping pong tournament this year. The participants (winners and losers) started a new trend in R.C.H.S. recreational activity.

WINNERS:

Girls' Singles:	Sandy Putt
Boys' Singles:	Mike Osborn
Doubles:	Mike Osborn and Jim Storm

LOSERS:

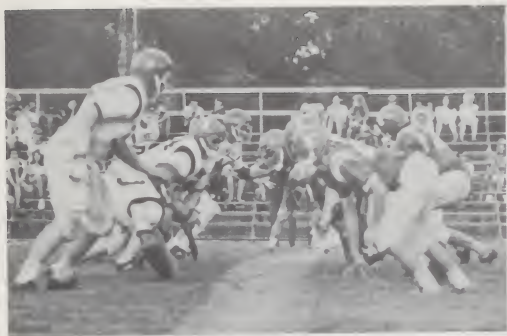

A lot of fun

Two outstanding athletes in the Class of 1969 are Ron Fenwick and Larry Edmonds. Ron and Larry led our basketball team to a Sectional victory and on to the Regional. Ron's 51 points against Hebron set a new school record and also surpassed the Rensselaer High School record. Larry also aided the football team in securing the conference crown. He was co-captain of the football team, and he received the Lineman of the Year Award.

Happiness is two fired-up coaches.

Happiness is finding the nail.

Happiness is playing the game.

Happiness is learning to type.

Happiness is leading a yell for the very first time.

Happiness is knowing assistance and guidance are near.

And happiness is teachers who care.

Miss R.C.H.S.
Deb Cochran

Mr. Dennis Lavery

Great men, as a matter of tradition, have always had monuments built in their honor for the purpose of preserving their memory. A teacher is a builder of his own. Whatever the members of the Class of 1969 become, it will be, in a large part, a result of the teachings of Dennis Lavery. This truly great man began five years ago building his memory and impressing his thoughts ever so gently upon our minds.

He will not be forgotten by the Class of 1969. We, his class, stand as a monument of his own making.

Senator Robert F. Kennedy once said: "Some men see things as they are and ask 'why?'—I dream things that never were, and ask 'why not?'" As we set out to make our fortunes in this world, it is our hope that the Class of 1969 will keep dreaming—and make those dreams realities.
